

Fortune Cookies

by Ming Xia Boyton.

What You Need: Whisk, 2 bowls, oil, 4 eggs whites, caster sugar, salt, teaspoons, tablespoons, 2 egg cartons, vanilla extract, cup, cornflour and plain flour.

What to do:

1. Type fortunes.
2. Beat the egg white, vanilla extract and oil.
3. Sift the flour, cornflour, salt and sugar into a separate bowl.
4. Add the flour into the egg white mixture and stir.
5. 1 tablespoon of batter on the cookie sheet.
6. Bake until the outer 1 cm of each cookie turns golden brown.
7. Place a fortune in the middle of cookie. Do two at a time, then fold the cookie into shape.
8. Place the finished cookie into an empty egg carton to keep its shape. Continue with the rest of the cookies.
